LEVEL OF SUPPORT

Please email a description of your course /lab needs, the more information you can provide about the use of the material, the better we can meet your needs.

Please email your course syllabus

Date(s) requiring plant material (e.g. 5/2/21 - 600 rooted coleus cuttings), please include all:

Please describe when and how you will receive the plants. e.g. *Will meet GH staff Mondays at 9am prior to lab in the greenhouse*

The greenhouse staff are excited to work closely with you to provide the support and plant material that you need to make your class a success.

Please return via email to Melissa Lacey at mlacey2@uw.edu
