LEVEL OF SUPPORT

Please email a description of your course /lab needs

Please email your course syllabus

Date(s) requiring plant material (e.g. 5/2/16 - 600 coleus cuttings), please include all:

If requesting delivery of plant material, please describe when and how you will receive the plants. e.g. TA will pick up from Kincaid loading dock on Wednesday's at 3:30 pm

DURING LSB CONSTRUCTION

Plant material needs to travel to compus from multiple locations, so planning ahead is greatly appreciated. **The greenhouse staff are excited to work closely with you to provide the support and plant material that you need to make your class a success.**

Please return via email to Jeanette Milne at jmilne@u.washington.edu
