

Where can I eat?

- There are no occupancy limits in rooms, but physical distancing is still recommended.
- 20-minute limits apply to all shared eating areas.
- Wash hands and sanitize surfaces before/after using.
- In common areas: do NOT move tables and chairs around.
- In shared office areas people can be maskless for 5 minutes or less, to have a coffee, cold drink, or snack.
- If you have a private office with a door that shuts, please eat there to free up space for those in shared desk areas.
- No eating in procedure rooms with the door shut.
- Do not eat or permit eating during indoor classroom sessions or active meetings.
