LEVEL OF SUPPORT

Please email a description of your course /lab needs

Please email your course syllabus

Date(s) requiring plant material (e.g. 5/2/16 - 600 coleus cuttings), please include all:

If requesting delivery of plant material, please describe when and how you will receive the plants. e.g. TA will pick up from the greenhouse classroom on Wednesdays at 3:30.

The greenhouse staff are excited to work closely with you to provide the support and plant material that you need to make your class a success.

Please return no later than the beginning of quarter prior to the quarter you are teaching to Melissa Lacey (mlacey2@uw.edu) and Katie Sadler (sadlergh@uw.edu)
